

Flu Vaccination

Please register using your smart phone, if you have one, at

<https://preconsult.app/pc/FM388>
and following the instructions there

If you have a phone that can read QR codes, you can scan this QR code instead:

iPhones (iPhone 8+. iPhone 5S, 6 and 7 with iOS 11+) and Android phones (with Android OS 9+) all have built-in QR code scanning; just open the camera app, point it at the QR code and click on the link displayed on the phone.

If you do not have a smart phone that you can use to register, please let a staff team member know
